LOOK FOR THE BLUE WINDMILL

A LONG-TIME DREAM HAS COME TRUE for Dennis Coil who is one of two boys who have been chosen from the Harbor district to go to an explorers' training camp at Camp Philmont, New Mexico. Looking on with evident satisfaction at the honor bestowed on Dennis are his Scoutmaster, Cecil Comer (right), and Len Swanson, Institutional representative of the Moose Lodge which sponsors the scout troop.

## D. COIL RECEIVES SCOUTING HONOR

A dream came true for Dennis Coil, 17, when he was informed Saturday that he was one of two boys chosen out of the Harbor district to attend the explorers' training camp at Camp Philmont, New Mexico, starting June 24.

The decision, which was made by top officials of the Harbor district, was based on personal merit, camping and scouting interest, Cecil Comer, the youth's scoutmaster, declared.

Dennis, who lives at 1651 W. 218th st., is a junior assistant scout master. He belonged to Troop 315 and is now a member of the explorer troop 315-X.

The troop is sponsored by the Moose lodge, according to Len Swanson, institutional representative, who works as a liaison official between the lodge and the

troop. Arlen Charter, neighborhood scout commissioner in the Torrance area, serves with Swanson as one of the committeemen for the troop.

Dennis, a Narbonne high school senior B, has been in scouting five years. Among his honors he can list that he is a star scout, a holder of the Order of the Arrow, and the possessor of several merit badges including public speaking, home repairs, reading, cooking, and first aid.

## Nikol Family Gets Scout Recognition

Honors went to the Luke Nikol family Wednesday, May 20, at the monthly meeting of Cub Pack No. 241-C. Young Phillip received his Webelos card and was received into Scout Troop No. 241. While Luke who is resigning as Cubmaster in order to go on into Boy Scouts with his son, was presented with a Scouting Certificate and badge for his wonderful work with the Cubs in the past six years, by Hal Lauderman, the Harbor Area Commissioner. He also received a regulation Scout wallet from the Pack as a parting gift. Lauderman also presented the Pack with a Ten Year Charter.

Mr. Roeder, neighborhood chairman, presented Dens 1 and 4 with pocket medals for their work in the Get Out and Vote campaign in the recent Presidential election, it was announced.

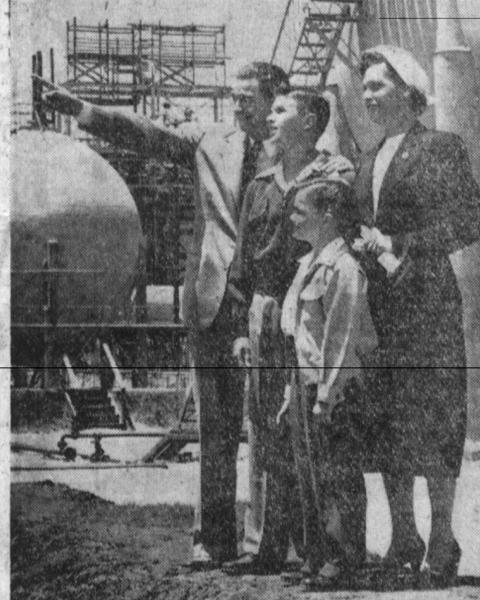

Den 1 also won a cup for earning the most achievements in the past three months. The Pack welcomed George Crane into their Pack and he received his Bob-Cat pin, while Rocky Monroe and Jimmy Copelan received their Wolf badges, Kenny Preder and Nelson Lee their Bear badges and Ronnie Cook, Larry Graham and Jerry Martinez received their Lion badges.

The troop regrets losing Luke Nikol as its Cubmaster but it is equally glad to have Frank Lane take over his duties as the new Cubmaster.

## Senator Visits

Mr. and Mrs. Wilfred Armstrong of 22329 Warmside ave entertained former Senator and Mrs. J. Joseph Foggerty of North Providence, Rhode Island on Wednesday evening.

Mr. and Mrs. Foggerty are in Los Angeles for the convention of the National Association of Purchasing Agents.

ED ATTEBERY, 1605 W. 205th st., Torrance, shows wife Alma and sons Jerry, 11, and Billy, 6, through General Petroleum's Torrance refinery during Open House for employees and their families held on Saturday, May 23. Attebery, one of over 1000 employees at the huge 100,000-barrel oil refinery, is chief timekeeper at the plant. Refinery Manager A. E. Thompson and Engineering Dept. Manager C. M. Reading were co-hosts at the affair, which was attended by over 3500 persons.

## KNOW YOUR REALTY BOARD

Our Broker of the Week is a businessman who was in business in this area—Harbor City—for some, 16 years with a used car and auto wrecking establishment before deciding that real estate was for him.

Bill McEwen moved his family, a wife and two children, away up to northern California where the deer stalking is good and he set up his real estate office in a town called "Paradise." The McEwens lived and worked here for some four years before coming back to this neck-of-the-woods, but Bill maintains an office there still.

Arkansas, the state with more mineral springs than any other, with the reputation of some of these health resorts equal to that of many of the great spas of Europe, claims Bill as a native son. Bill received his early schooling in Arkansas, leaving school at an earlier age than some in order to help with the farm. However, Bill has and is making up for having to leave school early. He is carrying a night school course at the present time and, coupled with an active business, this doesn't leave much time to pursue his heart's delight—deer! Deer hunting has always been tops in sports with the McEwens.

## Surber 30 Years With GP Refinery

E. G. Surber, superintendent of General Petroleum Corporation's Torrance refinery, has completed 30 years of service with the company as of last Friday, May 8, it was reported.

Originally employed as a laborer, Surber has been in various phases of refinery operations since August, 1923. He has been superintendent of the refinery since November of last year.
